Barbie®

## A BRUSHSTROKE OF GENIUS.

REFLECTIONS OF LIGHT™ BARBIE® DOLL. Inspired by the artwork of renowned painter Pierre Auguste Renoir, this Limited Edition doll is as lovely as the dappled sunlight brushstrokes made famous by the artist. Her elegant, ethereal gown and delicate upswept hairstyle are certain to make a lasting impression.

A Barbie doll is the central focus, dressed in a sophisticated black and white evening gown. The gown features a black lace bodice and a white skirt with black floral patterns. A long, black beaded train extends from the back of the dress. The doll has her blonde hair styled in two large, rounded buns on top of her head. She is wearing a black necklace with a white pendant and large, ornate earrings. The background is a solid, dark color, possibly black or dark grey, which makes the doll stand out.

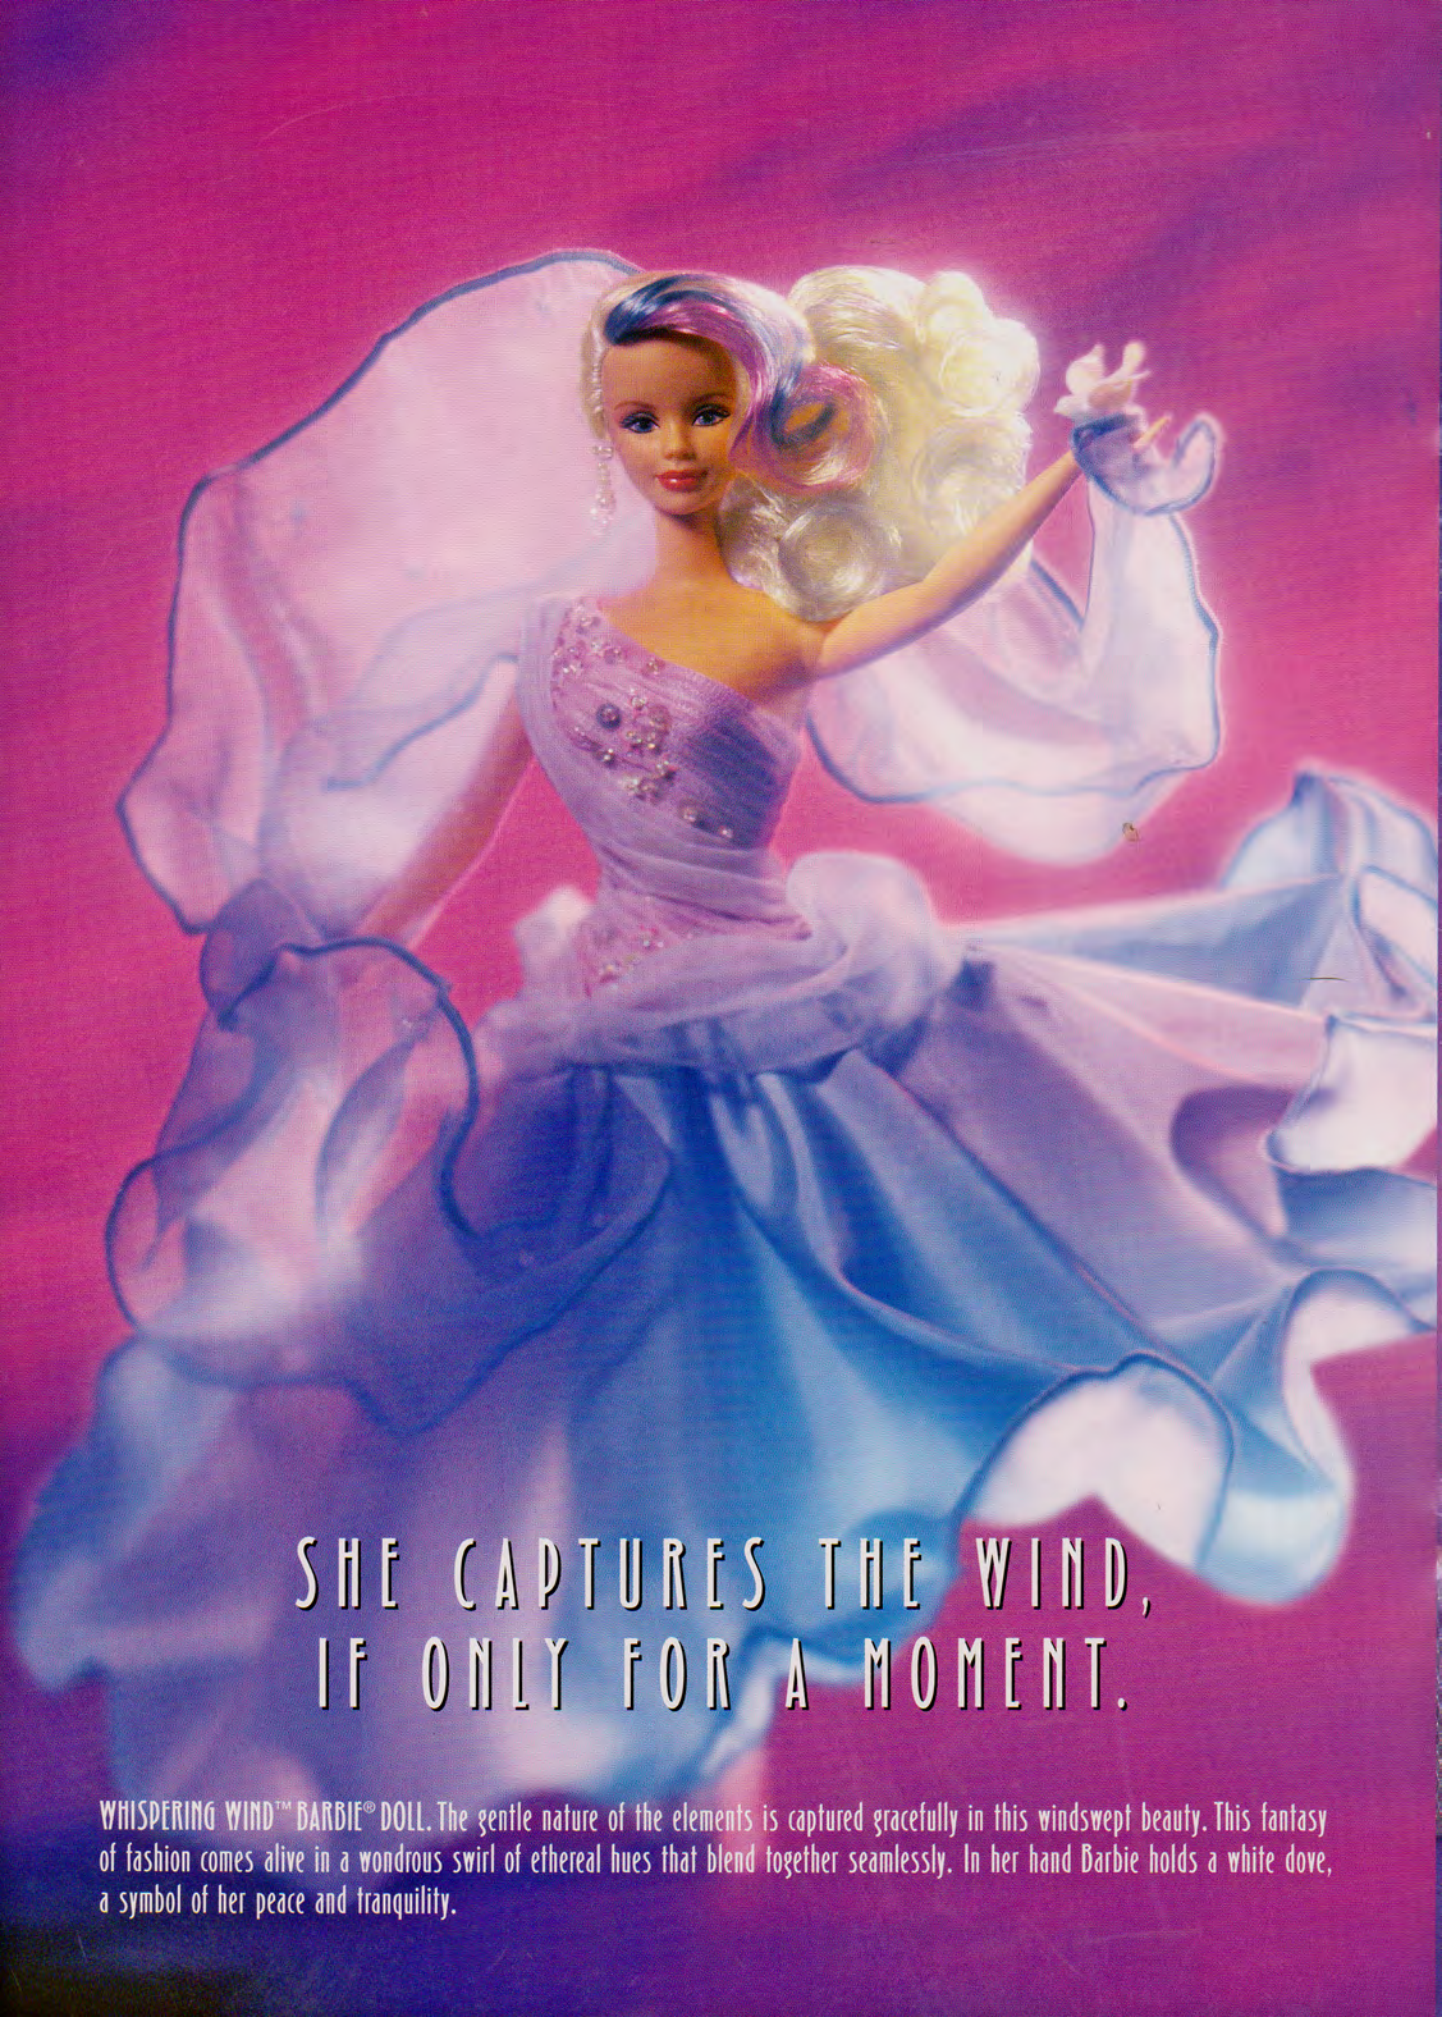

HOLLYWOOD GLAMOUR,  
ONLY FROM NOLAN MILLER.

EVENING ILLUSION™ BARBIE® DOLL. Designer for the stars Nolan Miller brings the classic style of Hollywood to Barbie. Her sky blue charmeuse gown is overlaid with black lace and highlighted by a wonderful beaded train. A necklace designed by Mr. Miller himself completes this vision of glamour.

HIP TODAY, HOTTER TOMORROW.

TREND FORECASTER™ BARBIE® DOLL. Completely coordinated from head to toe, this New York working woman is on the edge of fashion. Her fresh ensemble features an intricately stitched faux leather coat and a matching black skirt. What she wears today, others will wear tomorrow.

SHE CAPTURES THE WIND,  
IF ONLY FOR A MOMENT.

WHISPERING WIND™ BARBIE® DOLL. The gentle nature of the elements is captured gracefully in this windswept beauty. This fantasy of fashion comes alive in a wondrous swirl of ethereal hues that blend together seamlessly. In her hand Barbie holds a white dove, a symbol of her peace and tranquility.
