

AGFA 1966 Agenda

Characteristics

Shopkeeper's diary.

The first 24 pages contain information on Agfa production for the amateur sector, laboratory equipment and magnetic tapes, whose indications refer to the situation on September 1, 1965.

The monthly agenda has divisions of two days (Monday to Sunday) on each page.

There are also 4 pages for notes and the 1967 calendar.

Dimensions: Height 7.87in. Width 4.72in. Thickness 0.47in.
