

ACTION
man

OFFICIAL EQUIPMENT MANUAL

Palitoy

Action Man now has moving Eagle Eyes. At the touch of a button his eyes move from left to right, missing nothing . . .

34073 Sailor. The bearded sailor with Eagle Eyes wears realistic naval 'square rig'.

34072 Adventurer. A bearded figure with Eagle Eyes. Dressed in sweater and jeans.

34071 Soldier. Dressed in typical Army sweater and beret, with SL Rifle, belt, gripping hands and Eagle Eyes.

34074 Helicopter Pilot. Dressed in zip-fronted coveralls and flying helmet. With moving Eagle Eyes.

34060 Atomic Man. This powerful member of the Action Man Team has signalling eye, Atomic heart pacemaker, Atomic leg and Atomic arm to power his Rotocopter.

34070 Tom Stone. A tough new recruit for the team, Tom the coloured commando wears a camouflage suit and is armed with a Heckler and Koch SMG.

34081 Bullet Man. If there's trouble ahead Bullet Man can break through to the rescue. His 'steel' arms and helmet give him protection and penetrating power. Complete with flight line.

34080 The Intruder. Action Man's greatest enemy. Once imprisoned by his mighty bear-hug can anyone escape? Moving arms and head activated by button in his back.

34302 Grenadier Guards uniform, complete with bearskin.

34304 British Army Officer with Sam Browne belt.
