Kaya

Wake up and turn I loose,
wake up and turn I loose
for the rain is falling

Got to have kaya now, got to have kaya now
got to have kaya now, for the rain is falling

I feel so high, I even touch the sky
above the falling rain
I feel so good in my neighbour-hood
so here I come again

I got to have kaya now, got to have kaya now
I got to have kaya now, for the rain is falling

I feel so high, I even touch the sky
above the falling rain
I feel so good in my neighbourhood
so here I come again

I got to have kaya now, got to have kaya now
I got to have kaya now, for the rain is falling

Get up and turn I loose
wake up and turn I loose
wake up and turn I loose, for the rain is falling
well kayaman, kaya, kaya

Sun is shining

Sun is shining, the weather is sweet
make you want to move, your dancing feet
to the rescue, here I am
want you to know ya, where I stand

When the morning gather the rainbow
want you to know, I am a rainbow too.

To the rescue, Monday morning, here I am
want you to know, Tuesday evening,
just if you can, where I stand

Wednesday morning, tell myself
a new day is rising.
Thursday evening, get on the rise a
new day is dawning
Friday morning, here I am
Saturday evening, want you to know just
want you to know, just where I stand

When the morning gathers the rainbow
want you to know, I am a rainbow too
so to the rescue, here I am
want you to know, just if you can
where I stand
We lift our heads and give JAH praises (repeat)

Sun is shining, the weather is sweet now
make you want to move, your dancing feet
to the rescue, here I am
want you to know, just if you can,
where I, know, know, know, know, where I stand

Monday morning, scoo-be-doop-scoop-scoop
Tuesday evening, scoo-be-doop-scoop-scoop
Wednesday morning, scoo-be-doop-scoop-scoop
Thursday evening, scoo-be-doop-scoop-scoop
Friday morning, scoo-be-doop-scoop-scoop
Saturday evening, scoo-be-doop-scoop-scoop

So to the rescue, to the rescue, to the rescue
awake from your sleep and slumber
today could be your lucky number
sun is shining and the weather is sweet

Is this love

I wanna love you, and treat you right
I wanna love you, every day and every night
we'll be together, with a roof right over
our heads
we'll share the shelter, of my single bed
we'll share the same room, JAH provide
the bread

Is this love, is this love, is this love
is this love that I am feeling (repeat)
I wanna know, wanna know, wanna know now
I got to know, got to know, got to know now

I'm willing and able
so I throw my cards on your table
I wanna love you and treat you right
I wanna love you, every day and every night
we'll be together, with a roof right over
our heads
we'll share the shelter, of my single bed
we'll share the same room, JAH provide
the bread

Is this love, is this love, is this love
is this love that I am feeling (repeat)
oh yes I know, yes I know, yes I know now (repeat)

I'm willing and able
so I throw my cards on your table
see I wanna love you, I wanna love and treat
you right, I wanna love you, every day and every night
we'll be together, with a roof right over our heads
we'll share the shelter, of my single bed
we'll share the same room, JAH provide the bread

Satisfy My Soul

Oh! please don't you rock my boat
cause I don't want my boat to be rocking
don't rock my boat (repeat)

I'm telling you that, oh, whooh-whooh
I like it, like this, I like it like this
and you should know, you should know by now
I like it, I like this, I like it like this
yeah! you satisfy my soul, satisfy my soul
you satisfy my soul, satisfy my soul
every little action, there is a reaction
oh can't you see, what you have done for me
I am happy inside, all, all of the time

When we bend a new corner.
I feel like a sweep-stake winner
when I meet you around the corner
you make me feel like, a sweep-stake winner
whoa child, can't you see, you must believe me
oh darling, darling, I'm calling, calling
can't you see, why won't you believe me
oh darling, darling, I'm calling, calling

when I meet you around the corner
oh I said baby, never let me be a loner
and then you hold me tight, you make me feel alright
yes when you hold me tight, you made me feel alright

Whoa honey can't you see, don't you believe me
oh, darling, darling, I'm calling, calling
can't you see, why won't you believe me
oh darling, darling, I'm calling, calling

Satisfy my soul, satisfy my soul, satisfy my soul
that's all I want from you, that's all I'll take from you
satisfy my soul, satisfy my soul

SHE'S GONE

My woman is gone, my woman is gone

She had left me a note, hanging on my door
she say she couldn't take it, she couldn't
take any more
the pressure around me, just couldn't see
she felt like a prisoner, who needs to be free
fools have tried, wiseman have failed
oh listen to me honey, life could never be
another jail
still we know now, we'll never see smoke with-
out fire
and everyone you see, has a heart desire

She's gone, she's gone, she's gone, she's gone
oh mocking bird have you ever heard,
words that I never heard (repeat)

She made thru the exit, she just couldn't take it
she made thru the exit, she just couldn't take it
oh my children, if you see me crying
my woman is gone
if you see me, if you see me, if you see me, if you
see me crying (repeat)

She's gone, she's gone, she's gone heah!
oh mocking bird have you ever heard
words that I never heard (repeat)
she's gone, she's gone, she's gone

Misty Morning

Misty morning, don't see no sun
I know you're out there somewhere, Having fun
There is one mystery, I just can't express
To give your more, to receive your less
One of my good friend said, In a reggae rhythm,
don't jump in the water, If you can't swim
The power of philosophy, floats thru my head
you're light like a feather
light like a feather, heavy as lead

The time has come, I want you
I want you to straighten out my tomorrow
I want, I want, I want
I want you to straighten out my tomorrow

Misty morning, don't see no sun
know you're out there some where, having fun
mysteries, I just can't express
how could you ever give more to receive your less
like my good friend said, in a reggae rhythm
you can't jump in the water, if you can't swim

I want you, I want you to straighten out my today
my tomorrow, I want you to straighten out my tomorrow

On a misty morning, I want you to straighten out my
tomorrow, I want you to straighten out my tomorrow

Crisis

They say the sun, shines for all
but in some people world, it never shine at all
they say love is a stream, that will
find its course
some people think life is a dream
so they making matters worse

But no matter what the crisis is (repeat)
doing it, doing it, doing your thing
give JAH all the thanks and praises
giving it, giving it, giving it
give JAH all the thanks and praises

So much have been said, so little been done
they still killing, killing the people
and they having, having, having lots of fun
killing the people, having their fun
they just want to be the leader
in the house of the rising sun

But no matter what the crisis is (repeat)
do your, live it up, live it up, live it up
give JAH all the thanks and praises
live it up, live it up, live it up, live it up
give JAH all the thanks and praises

They say the sun, shines for all
but in some peoples world, it never shines at all
they say love is a stream, that will
find its course, and every river runs to sea
some people still think life is a dream
so they making matters worse

No matter what the crisis is (repeat)
do it, live it up, live it up, live it up
give JAH all the thanks and praises
live it up, live it up, live it up, live it up
give JAH all the thanks and praises (repeat)
his mercies endureth for ever yeah
give JAH all the thanks and praises
oh children, come on and give JAH

Running Away

You running and you running and you running away (repeat)

You running and you running
but you can't run away from yourself
can't runaway from yourself, can't runaway from
yourself, can't runaway from yourself (repeat)

You must have done, something wrong (repeat)
why you can't find the place where you belong
running away, running away, running away (repeat)

Every man thinketh his burden is the heaviest (repeat)
but who feels it knows it Lord
who feels it knows it Lord, who feels it knows it Lord

You running and you running and you running away (repeat)

You running and you running
but you can't runaway from yourself, could you
runaway form yourself, can you runaway from yourself
can't runaway from yourself, can't runaway from yourself

You must have done, something, something, something
something, something, you don't want nobody to
know about, you must have...Lord, something wrong
you must have done, you must have done, something wrong
why you can't find where you belong

Well, well, well, you running away, running away,
no, no, no, I'm not running away, don't say that
don't say that, cause I'm not running away
I've got to protect my life,
and I don't want to live with no strife
it is better to live on the house top
than to live in a house full of confusion
so, I made my decision, and I left you
now you coming to tell me that I'm running away
but it's not true, I am not running away

Time will tell

JAH would never give the power to a baldhead
run come crucify the dread

Time alone, oh! time will tell
think you're in heaven, but you living in hell
think you're in heaven but you living in hell (repeat)
time alone, oh! time will tell
you think you're in heaven, but you living in hell

Back them up, oh not the brothers,
but the ones, who set them up

Time alone, oh! time will tell
think you're heaven, but you living in hell
think you're in heaven, but you living in hell (repeat)
time alone, oh! time will tell
you think you're in heaven, but you living in hell

Oh children weep no more
oh my sycamore tree, saw the freedom tree,
oh children weep no more
weep no more, children weep no more

JAH would never give the power to a baldhead
run come crucify the dread

Time alone, oh time will tell
think you're in heaven, but you living in hell
think you're in heaven, but you living in hell (repeat)
time alone, oh time will tell
you think you're in heaven, but you living in hell

Smile Jamaica (version)

Feeling now, feeling down
This feeling wouldn't leave me alone
Then I came, the one that said
Hey Dread, fly Natty Dread

And smile (In Jamaica)
Want you to smile (In Jamaica)
Get it together right now (In Jamaica)
Get things together right now (In Jamaica)

Soulful town, roots people
Said I see that you're having fun
Rockin' to the roots man rocker
Oh island in the sun

Oh Oh (In Jamaica)
Want you to get it together (In Jamaica)
Get this together right now (In Jamaica)
Get this together right now (In Jamaica)

Help the children, help them right
Oh lord help them decide
Cast away that evil spell
Throw some water in the well

Well well well well well (In Jamaica)
C'mon and smile (In Jamaica)
Get things together right now (In Jamaica)
Get it together right now (In Jamaica)

Dry your tears, have no fears
Fly Natty Dread
Fly Natty Dread

Help, help, help us tonight
Cast away that evil spell
Throw some water in the well

Feeling now, feeling down
This feeling wouldn't leave me alone
Then it came, the one that said
Hey Dread, Fly Natty Dread

Dry your tears, have no fears
Fly Natty Dread

In Jamaica.....
