

MINOLTA CASE for Minolta 16 MG-S

Serial Nr. no
Minolta Code: 6215-210

Characteristics and Functions

This case is made of black leather with a zip closure that runs along three sides and ends with an opening that allows the passage of the camera strap. The interior is in red velvet. The bag has a large loop, stopped by two snaps, which serves to pass the belt of the trousers for a comfortable carrying around the waist. "Japan" is hot-engraved between the two snaps. On the front we find a metal plate with the word "minolta" in black. Weight 30g. Length 112mm. Width 58mm. and thickness 38mm.
