

# MINOLTA CAMERA BAG 102

Serial Nr. no  
Minolta Code: unknown

## Characteristics and Functions

The Minolta Camera Bag 102, made of black cordura, is equipped with a removable shoulder strap, adjustable with shoulder strap and two handles for carrying by hand. A double zip that can be used by means of the central handle allows access to the main compartment, which is light brown in color, with two separators and velcro for the correct positioning of the separators themselves according to the type of equipment to be transported. On the back there is a pocket without bellows, in black waterproof material. On the front there is a black cordura pocket with a bellows of about 2 centimeters closed by a zip on the upper side. There is a last pocket without bellows on the front side of the bag, also closed by a zip. On the front side, in the lower right corner, a black plastic label with gold screen printing is sewn: "MINOLTA" with the rising sun in the "O". 4 black plastic support feet are applied to the base  
Weight 670g., Shoulder strap included. Length 370mm. Width 160mm. Height 215mm.
