

MINOLTA CAMERA BAG CB-101

Serial Nr. no
Minolta Code 9970-108

Characteristics and Functions

The Minolta Camera Bag 101 (CB-101), made of black cordura, is equipped with an adjustable shoulder strap with non-slip shoulder strap. The snap closure allows you to raise the top to access the only large compartment available in the bag. The upper flap is equipped with two sewn side flaps that prevent moisture from entering from the sides and a front zip that allows access to a pocket useful for carrying small items. Inside the Minolta Camera Bag 101 there is a space separator, mobile, adaptable to a velcro strip of 6 centimeters in width. In the center of the flap, just below the zipper, a black plastic label with white screen printing is sewn: "MINOLTA" with the rising sun in the "O".
Weight 390g. Length 275mm. Width 130mm. Height 220mm.
