

MINOLTA CAMERA CASE

Serial Nr. no
Minolta Code: unknown

Characteristics and Functions

This case is made of black rubberized material, partly smooth and partly striped. The closure is achieved by means of a velcro piece located under the part in gray rubber material where the "Rising Sun" and the words "MINOLTA" are silkscreened in light gray on two lines. Inside the case, an automatic opening loop is sewn on the right side where the camera strap can be passed, thus avoiding completely separating the bag and camera during shooting. On the back there is a loop for carrying the bag to the waist belt. Weight 35g. Width 78mm. Height 142mm. Thickness 58mm.
