

MINOLTA CASE for Minolta 16

Serial Nr. no
Minolta Code: 6204-210

Characteristics and Functions

This case is made of tan leather with a zip closure that covers over two sides. From a small opening located at the end of the zipper when it is closed, the camera strap can be pulled out for easier transport. Inside there are two small leather pockets in which you can place the filters or additional lenses provided as optional accessories of the Minolta 16. On the front we find the word "Minolta" hot stamped.

Weight 18g. Length 90mm. Width 50mm. Height 28mm.
