Serial Nr. no  
Minolta Code: unknown

## Characteristichs and Functions

This case is made of gray suede and black leatherette, with velcro closure. On the front we find the inscription "MINOLTA" with the Rising Sun in the "O" hot-engraved and silk-screened in black. While the suede mars is soft, the black leatherette part has considerable stiffness. On the back there is a large loop in black plastic material, sewn in the center for fixing the bag to the belt at the waist. On the top of the case is practiced where it is possible to pass the strap of the camera, thus avoiding to completely separate the camera and bag during shooting.
