

# MINOLTA CASE for RIVA ZOOM 135 Ex

Serial Nr. no  
Minolta Code: unknown

## Characteristics and Functions

This case is made of black imitation leather, with velcro closure. On the front side we find the closing flap and, silk-screened in white on two lines, the Rising Sun and the words "MINOLTA". On the back there is a large loop in plastic material for carrying it to the waist belt. On the top of the case there is an opening in which it is possible to pass the shoulder strap in order to extract the camera from the case without completely separating it from the bag itself (in this case it is obviously not possible to keep the bag fixed at the waist to the belt).
