

MINOLTA CASE for SR-T

Minolta Code 6031-130

Characteristics and Functions

This case is made of dark brown leather with a red velvet interior. The front part is detachable by means of the special pin that slides into an asymmetrical slot positioned on the back. It allows you to house the body with the 50/1.4 or 50/1.7 lens. On the bottom of the bag there is the chromed screw for attaching the camera using its own nut screw. A circular opening on the bottom of the bag allows you to move the "On-Off-B.C." without removing the camera from the case. The "minolta" logo, in golden metal, is placed in the center of the front, while the words "MADE IN JAPAN" are hot-engraved on the back. Weight 205g. Width 160mm. Height 105mm. Depth 125mm.
