

# MINOLTA R 59 FILTER

## d.55mm.

Serial Nr. no  
Minolta Code: 7255-113

### Characteristics and Functions

The Minolta R 59 Filter is indicated in black and white photography: it has a very marked effect, it allows you to darken the sky and makes the clouds dramatic and stormy, increasing their effects compared to the orange filters. Virtually the red filter lightens all red and orange colored objects while darkening all complementary colored ones. This F55NA filter has a black frame with italic "minolta" logo - old logo.

Weight 18g. Frame outer diameter 57mm.; thickness 6mm.
