

# MINOLTA GADGET BAG PB-103

Serial Nr. no  
Minolta Code 9970-103

## Characteristics and Functions

The Minolta Gadget Bag PB-103, made of black cordura, is provided with an adjustable shoulder strap. The main compartment is accessed by opening the top zip. The compartment is divided by a longitudinal and four transversal separators, all adjustable by positioning with velcro. There are also two large side pockets with 6 centimeters bellows, also supplied with a zip. A front pocket with zipper, without gusset, forms another open pocket with the bag, where you can store thin objects. In the lower right corner, on the front side of the PB-103, a black plastic label with gold screen printing is sewn: "MINOLTA" with the rising sun in the "O". Four black plastic support feet are placed under the central part of the bag.
