

MINOLTA GADGET BAG-I (1964)

Serial Nr. no
Minolta Code 6902-110

Characteristics and Functions

This Minolta Gadget Bag-I, made of rigid black leather and burgundy velvet interior, is equipped with an adjustable shoulder strap with non-slip shoulder strap. The snap opening allows you to tilt the front part forward that ends above the height of the closure; This gives access to the only large compartment available in the bag that can contain a kit consisting of a body with two lenses, a flash and some filters. At the front, in the lower right corner, there is the Minolta trademark in chromed metal while on the back side the words "Minolta Camera Co., Ltd." and "Japan".

Weight 1235g. Length 285mm. Width 130mm. Height 220mm.
