

MINOLTA LEATHER CASE for Dimage F 100

Serial Nr. no
Minolta Code: 9970-164

Characteristics and Functions

This case is made of genuine black leather, with velcro closure. The word "MINOLTA" is hot-engraved on the closing flap with the Rising Sun in the "O". On the back there is a leather loop for carrying the bag to the waist belt. Outside the bellows part, the bag has a remarkable rigidity which allows an excellent protection of the camera. The interior is in black velvet and has two pockets in the closing flap designed to hold two memory cards; while on the right side there is a space for the transport of two spare batteries. Weight 48g. Width 140mm. Height 65mm. Thickness 45mm.
