

MINOLTA – LEICA MOUNT ADAPTER

Serial Nr. no
Minolta Code: 6012-610

Characteristics and Functions

The Minolta Leica Mount Adapter was introduced in the first half of the 1960s as the "Adapter for Leica Lenses - Minolta SR". Allows you to mount the lenses with Leica screw pitch d.39mm. on Minolta Manualfocus SLR cameras. To install the accessory, you must first insert it into the bayonet of the optics socket and with the supplied key, finish the rotation of the Leica Mount Adapter in the bayonet until you hear the "click" of the block. At this point it is possible to adapt the lens to the camera normally. Ring weight 20g; key 7g. Dimensions: frame diameter 49mm .; 7.5mm thick.
