

# MINOLTA LENS CAP

## for Minolta RF 500mm 1:8 Lens

Serial Nr.: no  
Minolta Code 7380-230

### Characteristics and functions

This black flexible press-on plastic cap shows the wording "MINOLTA" with the New Logo with the Rising sun in the "O", in relief and without coloring. The introduction of the renewed Logo dates back to 1981.

This 80K type cap can be combined with the Minolta RF 500mm 1: 8 reflector lens with an 80mm front threaded connection. The cap also fits over the lens hood which, being cylindrical, has the same external diameter.

Weight 14g. Dimensions: diameter 85mm.; thickness 9mm.
