

MINOLTA LENS SHADE for MC Rokkor 55/1.7

Minolta Denomination Code D52ND

Serial Nr.: no.
Minolta Code 6632-417

Characteristics and functions

This satin black metal lens hood (new type) can be combined with the MC Rokkor 55mm lens. f.1: 1.7 introduced starting from 1966. There are two versions of this lens hood which differ only in the external finish: the first indicated as "old" has a matt varnish; the second indicated as "new" a satin varnish. The attachment has a 52 mm thread and the interior is in velvet. It contains the indications: "D52ND", "Minolta" and "Japan".
Weight 16g. Dimensions: maximum diameter 66mm., Thickness 28mm.
