

# MINOLTA REAR CAP

## for Auto Rokkor Lenses

Serial Nr.: no.  
Minolta Code unknown.

### Characteristics and functions

This flexible plastic rear cap, for Minolta Auto Rokkor lenses, is applied by pressure on the bayonet. The edge is smooth. On this version, the Minolta Logo (inverted prism and convex lens) disappears to leave room for the wording, in relief, "MINOLTA CAMERA CO. LTD. "

Weight 7g. Diameter: 51mm. Height 15mm.
