

MINOLTA SHOULDER CASE

for XL-Sound 84 / 64 / 42

(1981)

Serial Nr. no
Minolta Code 6388-110

Characteristics and Functions

The Minolta Shoulder Case is dedicated to the transport of the XL series sound cameras, made of black imitation leather, it is equipped with an adjustable shoulder strap with shoulder strap. The main compartment can be reached by rotating the chrome hinge 90 degrees in order to raise the closing flap. This volume is stiffened by an internal structure. There is also a front pocket with bellows that occupies the entire width of the bag and has a closure flap that can be stopped with Velcro. The "MINOLTA" brand with the rising sun in the "O" is formed by a burnished and chromed metal plate which is positioned on the front pocket, at the bottom left. On the back side we find the hot engraving: "MINOLTA CAMERA CO, LTD. JAPAN".

Weight 830g. Length 295mm. Width 145mm. Height 240mm.
