

MINOLTA SPORTSCASE for WEATHERMATIC 35DL

Serial Nr. no
Minolta Code: 6488-160

Characteristics and Functions

This case is made of yellow cordura with a zipper and an adjustable waist strap in black. A vertical separator in yellow cordura is sewn inside which can be folded to the side by detaching the Velcro fastening to the front side. At the front, positioned in the lower part of the case, a yellow imitation leather rectangle is sewn where we find the "Rising Sun" and the words "MINOLTA" silk-screened in black on two lines.

Weight 197g. Width 188mm. Height 170mm. Max thickness 68mm.
