CORGI CLASSICS

JANUARY - JUNE

1989 will see new body shapes introduced for Trams, Cars and Commercials in addition to new liveries. There will also be an exciting new range of vehicles available in the second half of the year.

So what makes a Corgi Classic so desirable? Not just strong die-casting and careful finishing. It's the beautiful detailing, meticulous research and complete originality to reflect the pedigree of the original.

Classics are a true part of our motoring history, captured in a scale ideal for collectors.

• CARS •
