

BOUNCE FLASH BRACKET #290

For use with Models 95, 95A, 95B, 100 (rollfilm), 110, and 700.
Allows for 90-degree bounce flash for both horizontal and vertical pictures.
This simple metal bracket is designed to mate with the #202 and the other flashguns which have the smaller accessory shoe and make their sync connection via a cord.
