

CLOSE-UP KIT #550

For use with Models 110, 110A, 110B, and 120.
Similar to #540 Close-Up Kit except for filter size.
3 glasses with three different diopters for three distances of close-up shots
(7" x 9 1/4"); (10 1/2" x 14"); (22" x 28").

Notes: The original Model 110 requires a filter-ring adapter spacer to use this or other filters designed for later 110-series cameras.
